

L. K. INTRENATIONAL SCHOOL, GHAZIABAD
HOLIDAY HOMEWORK (2025-26)
CLASS- VIII

*"In the summer, the days are long,
stretching into each other. Out of school,
everything was on pause and yet happening at the same time,
this collection of weeks when anything was possible."*

Sarah Dessen, Along for the Ride

Holiday Homework is an attempt to enhance children's imagination. Doing it in the right spirit with enthusiasm will make it a great learning experience.

Dear Parents,

There is no doubt that vacations are the most appropriate time for the students to refresh and rejuvenate themselves to showcase their performance more enthusiastically. Children have ample energy which needs to be channelized in the right direction to get the best out of them. Keeping this in mind the holiday homework has been designed to make them more observant and confident.

Let's share some tips to make this period a fruitful and happy period for them

- ▽ Have at least two meals together with your children.
- ▽ Teach them the importance and hard work of the farmers and ask them not to waste their food.
- ▽ Let them wash their own plate after every meal. Children learn dignity of labour from such activities.
- ▽ Allow them to help you in cooking. Let them make their own vegetable and fruit salad.
- ▽ Nurture your child's interest – be it art, music, dance or anything else.
- ▽ Let him/her pursue a hobby of his /her own choice.
- ▽ Please train your child to become independent in his daily chores.
- ▽ Let him/her keep the house clean-clear the toys, books or craft after he/she has finished playing with it.
- ▽ Inculcate proper toilet habits.
- ▽ Remember to converse in English with your child.
- ▽ Share stories about your childhood and your family history.

Dear Students,

We are sure that all of you would have made plans for a fun filled summer vacation. We wish that you enjoy your long break with your parents, family and friends. Try to utilize your time in such a way that you are able to sharpen your intellect as well as tone up your body by doing exercises. Read, play and enjoy!

Summer Vacation is a time full of fun and frolic, going for picnics, playing for long hours, exploring new places and much more. But dear children, there is a lot more to do to make your vacation more interesting and meaningful.

Good children make glad parents

- ▽ Take up certain responsibilities and enjoy the holidays with your family.
- ▽ Go for walks with your family, you will realize you have two of the God's greatest gifts NATURE and YOUR FAMIL Y. Thank God for these gifts.
- ▽ Help your parents, grandparents and even your younger brothers and sisters.
- ▽ Play outdoor games, go for cycling, hide and seek, anything that will make you run (but exercise in morning or in the evening with your parents advise)
- ▽ On TV watch animal planet, discovery channel, national geographic etc.

Use the MAGIC WORDS..... PLEASE, SORRY, THANK YOU, EXCUSE ME.... appropriately. We wish you a **HAPPY AND HAPPENING SUMMER BREAK! Enjoy and take care of yourself!**
