

SUMMER HOLIDAY HOME WORK

CLASS-4th

Dear Parents,

Summer vacations are a welcome break for our children-a break from getting up early in the morning and following a fixed schedule. These are a great time to learn new things. Keeping this in mind, we have planned interesting and creative holiday homework for our little ones to keep them engaged and to channelize their energies. It's time to have fun, create and invent.

Please take note of the following instructions:

- All the holiday homework should be neatly done in the scrap book/notebook.
- Children shall do the listed activities under the guidance and assistance of their parents.
- Do all work with date & day .
- Encourage your child to watch informative program on television.
- Assign small household responsibilities to help them become independent.
- Teach them the importance of moral values in their lives.
- Participate in various indoor games with them.
- While it's crucial to take breaks and have fun, it's equally important to keep learning. Find a balance between work and play, and let your child grow along the way.
